IV. Closing statutes

An appliance can only be used if it meets the technical norms of safe operation. The operator of the appliance is responsible for safety.

Prices for other accommodation related services are provided at flat rate for the whole period indicated in the price list, regardless of the time of the actual utilization of this service.

The Price Lists are published on the Accommodation Provider's website and on other places usual for the purpose, namely on notice boards of the appropriate University residence hall.

Price schedules are valid from 1st September 2016
