

Reservation of washing machine and dryer via Web ISKAM

1. After logging in to the ISKAM Web, I select the **Service Reservation** menu for my account and then **New booking**. The **My booking** submenu is used to manage reservations that have already been created.

2. After the New booking window is displayed, from the menu select the **Date** when you want to make a reservation, select the Sport venues (dormitory) on which you want to wash/dry and select a specific washer/dryer from the Sports facility selection. Then continue by pressing the **New booking** button.

3. In the newly displayed window, select the time **FROM, TO** I want to wash/dry reserve. Choose **Student Tariff**. The **Note** field is optional, the text of the note will only be seen by the reception at the reservation. Then press the **Confirm** button to create a new reservation.
